

PRO-SERIES LED DECK & INGROUND LIGHT SERIES

316 Stainless Steel IP68

- IP68 Stainless Steel 316 ideal for use in external harsh environments including decks, stairs, gardens, floors, decorative features, recreational facilities, parks and other outdoor areas
- No flicker or RF interference, no buzzing noise, instant soft start and low heat
- Colour options of white, warm white, amber, red, blue, green, RGB
- High power LED waterproof with excellent performance, high temperature resistance, anti-aging and corrosion resistant with long life up to 50,000 hours

LED	CREE/ LG/ Epistar
Beam angle	120°
CCT(K)	2700K-6500K, RGB single color, RGB 3 in 1
Ra	80
Voltage (V)	AC/DC12V DC24V
Power (W)	0.6W
Luminous flux (lm)	36 lm
Size(DxH)(mm)	∅ 30*27
Material	SS316
IP Grade	IP68

LED	CREE/LG/Epistar
Beam angle	120°
CCT(K)	2700K-6500K RGB single color, RGB 3 in 1
Ra	80
Voltage (V)	AC/DC12V DC24V
Power (W)	1W
Luminous flux (lm)	56lm
Size(DxH)(mm)	∅ 35*25
Material	SS316
IP Grade	IP68

LED	CREE
Beam angle	15°, 25°, 40°, 60°, 120°
CCT(K)	2700K-6500K RGB single color, RGB 3 in 1
Ra	80
Voltage (V)	AC/DC12V DC24V
Power (W)	1.5-2W
Luminous flux (lm)	130lm
Size(DxH)(mm)	∅ 45*40
Material	SS316
IP Grade	IP68

Voltage (V)	DC12V DC24V
Power (W)	12W
IP Grade	IP67

RGB Controller

WI-FI RGB Controller
